Year-End Awards for the top three teams based on total points.

FAQ - What is the Women's Team League?

A season-long team competition that runs alongside the Women's One Day Series. You play your regular individual round, and your score also contributes to your team's result.

How do teams work?

- Teams are **4 players**
- You pick your own teammates
- Everyone on the team must be from the same NCGA women's club
- Clubs can have multiple teams

Can I change teams during the season?

No. Once you register with a team/club, you must stay with that team for the entire season.

Can my Team Substitute Players?

No. Players must remain the same for the entire season. A player may not be replaced except due to a situation where the player can no longer participate in any events. The circumstance would have to be discussed with and approved by the Staff-in-Charge. Once substituted, the original player may not be reinstated.

Do I have to play every event?

No. Teams earn points at each Team League event, but not all players need to play every event. Teams with more participation may have an advantage.

Are there any additional Team Rules?

- All players must have a **current handicap index** (maximum index 40.4)
- Players may represent **only one team** for the season
- Only **two players from the same club may be paired together in a foursome**
- Individual Stroke Play is conducted simultaneously; **no advice may be given between teammates**

What formats are used?

Formats vary by event and will be listed in the event details. All events will score two best balls of four.

How are points awarded?

- 1st Place Team – 10 points*
- 2nd Place Team – 9 points
- 3rd Place Team – 8 points
- ...
- 10th Place Team – 1 point
