Format:	36 holes stroke play (Best Two Balls of Four). Eighteen holes per day. First day play is at Poppy Hills GC , and the second day at Spyglass Hill GC . Two players from each club will be paired with two players from another club. For this format the NCGA defines a “side” as the two players from a club playing together. Should a disqualification penalty affect the “side,” the other two players from that club are still eligible to compete. The two best balls can both come from the same “side” or one ball from one “side” and one from the other “side”. Play will be 90% (men) and 95% (women) of the Course Handicap using a maximum current Handicap Index of 18.4. At Poppy Hills men will play from the WHITE NCGA Markers (see attached yardage sheet) and women will play from the RED NCGA Markers (see attached yardage sheet). At Spyglass Hill men will play from the WHITE tees and women will play from the RED tees. The Course Handicap for all women will be adjusted accordingly. All players with a Handicap Index of 18.5 and higher are eligible but must play a maximum Handicap Index of 18.4. The tournament will be played using the August 15, 2015 Handicap Index.	
Scoring Unfinished Holes:	If a player starts but does not complete a hole, their marker shall record an “X” followed by the score he most likely would have made. This score is for score posting purposes only and shall not exceed the Equitable Stroke Control limit for his/her Course Handicap.
